Roku SocketTV
Quick Start Guide

1 CONNECT EQUIPMENT

Connect the power adapter and HDMI cable to the appropriate ports on the Roku streaming device. Plug the other end of the HDMI cable into your TV, and the power adapter into an outlet.

2 GET READY

Change the input on your TV to the input you plugged the HDMI cable into. You may need to pair your remote with the small button located under the battery compartment. Select your language and sign-in to your home's Wi-Fi.

3 ACTIVATE YOUR DEVICE

Sign in to Roku with your email. **Check your email** and follow the prompts to continue through the verification process. Once complete, Roku will start updating automatically.
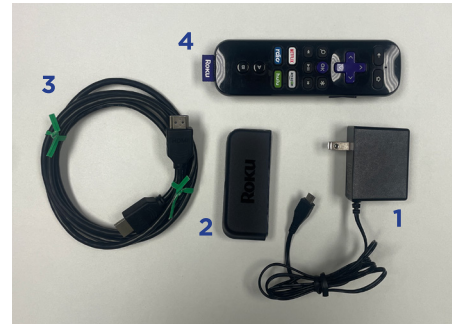

4 DOWNLOAD THE APP

From the home screen, navigate to the "Search" tab. Use the on-screen keyboard to **search for Socket TV.** Select the app, and press "Add channel."
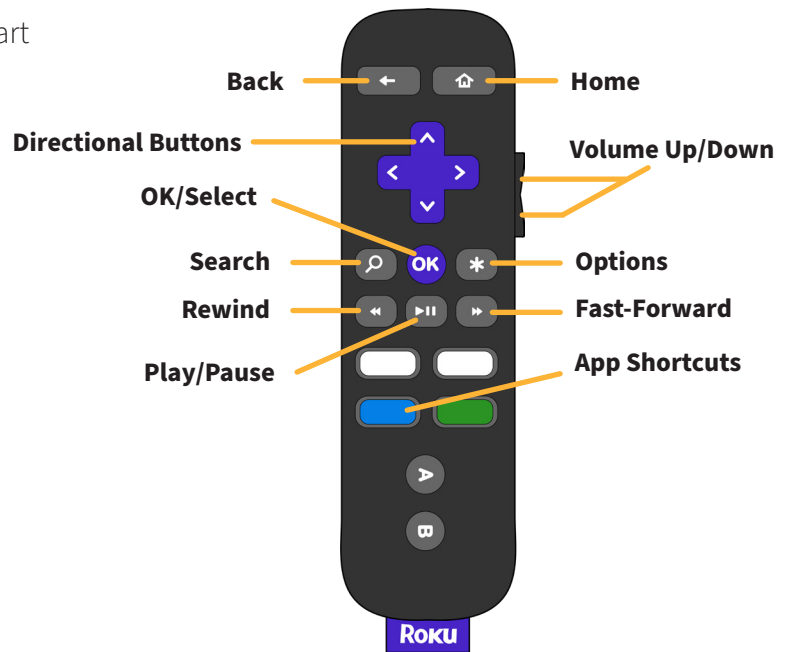

5 START WATCHING

Open the Socket TV app and sign in with your subscriber name and password.
Now you're ready to start watching!

Please visit: **www.socket.net/residential/tv** for the complete user guide.
